

**REMARKS**

Claims 1-7 are pending in this application. By this Amendment, 2 and 3 are amended, the title and Abstract are amended, and Fig 6 is amended. No new matter has been added. The amendment to claims 2 and 3 are supported by the disclosure, for example, at paragraphs [0009]-[0013].

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Koval during the August 1, 2005 telephone interview. Applicant's separate record of the substance of the interview is incorporated into the following remarks.

**I. Objection to the Drawings**

The Office Action objects to Fig. 6. Fig. 6 has been labeled as "Related Art." Accordingly, withdrawal of the objection to Fig. 6 is respectfully requested.

**II. Objection to the Abstract**

The Office Action objects to the Abstract. The Abstract is amended to obviate the objection. Accordingly, withdrawal of the objection to the Abstract is respectfully requested.

**III. Objection to the Title**

The Office Action objects to the title. The title is amended to obviate the objection. Accordingly, withdrawal of the objection to the title is respectfully requested.

**IV. Objection to the Claims**

The Office Action objects to claim 1 because claim 1 recites "largest quantity of heat" and claims 2 and 3 recite "a second largest quantity of heat." Claims 2 and 3 have been amended to obviate the objection. In particular, claims 2 and 3 recite "second-largest quantity of heat." As discussed during the August 1 telephone interview, second-largest quantity of heat is heat that is less than the largest quantity of heat. Accordingly, withdrawal of the objection to the claims is respectfully requested.

**V. Conclusion**

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-7 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

  
James A. Oliff
